

DECEMBER SERVICE PROJECT FOR DEVEREUX'S KANNER LEARNING CENTER

Help Spread Joy to the Residents of Devereux's Kanner Learning Center!

The center provides high-quality residential and special education services to over 300 children and adolescents ages 6 to 21 with mental disabilities. Many of these residents have no families and rely on the generosity of the community for their Christmas wishes to come true.

HATS, GLOVES, & MITTENS DONATION DRIVE

The center has asked the Goshen Friends community to help make Christmas special for their residents by donating the following:

- * **Hats, Gloves, & Mittens: male adult sizes, small to extra large**
- * **Art Supplies: Preschool level**

Donations will be collected through December 15. At school, teachers will emphasize the importance of giving during the holiday season. The children will hang hats & gloves on a special tree in the Preschool hallway, and art supplies will be placed under the tree.

TREE DECORATING PARTY, FRIDAY, DECEMBER 8, NOON TO 2 P.M.

In addition to donations of hats, gloves, and mittens, this year Goshen Friends will help brighten the holiday season at Devereux by donating a decorated Christmas tree! We are inviting all Goshen families to join us in the Grange on December 8 from noon to 2 p.m. to create special holiday ornaments - one to take home and one to hang on the Devereux tree. We'll provide pizza and drinks for all who attend! **Please note: children must be accompanied by a caregiver.** To RSVP, fill out the form below & return it via your child's backpack, addressed to the attention of Patrice Brown!

**Thank you to parent Ann Runyen for the donation of the Devereux tree and to Tr. Patty for the donation of the hat & mitten tree!*
