

January Service Project

Benefiting Safe Harbor of Chester County

Our first service project for 2019 will benefit Safe Harbor of Chester County! The Safe Harbor shelter, located in West Chester, provides meals, clothing, personal items, and support to 40 homeless men and women with the goal of helping residents regain their self-esteem. We will be supporting Safe Harbor in two ways in January: through a donation drive to collect much-needed items for the shelter and during a morning gathering on Martin Luther King Jr. Day, January 21.

Donations of the following will be collected through January 21:

**Toilet Paper * Paper Towels * Napkins * Sugar * Coffee
Nondairy Creamer * Cleaning Products * Laundry Soap
Powdered Iced Tea & Lemonade Mixes**

Send in your contribution via backpack, drop it off in the Office, or bring it to our MLK Jr. Day Gathering!
