Goshen Friends School is pleased to offer need-based financial aid and non-need-based grants to families enrolling in Preschool and Pre-Kindergarten:

1. **Financial Aid:** All families seeking financial aid must apply online through School and Student Services, a service of the National Association of Independent Schools. A \$51 fee is charged by SSS to apply through its online portal.
2. **Non-Need-Based Tuition Grants:** Goshen's **Diversity Grant** is awarded to children of color, reinforcing the Quaker testimony of Equality and demonstrating our school's commitment to building a diverse community of learners. The **Quaker Grant** is awarded to children of Quaker families. Families applying for these grants alone do not need to file their financial information. Families will be asked to complete a short grant application.

Financial aid and tuition grants are limited and are given on a first-come, first-served basis.
